[REDACTED]

DD/S also noted an advertising gimmick which has been found to confuse the dollar-changing machines in the Agency. The Secret Service has been notified and the dollar-changing machines have been closed down.

[REDACTED]

25X1

[REDACTED] reported that arrangements are being made to provide an informal Agency briefing to the African Subcommittee of the House Foreign Affairs Committee.

[REDACTED] reported that Henry Rowen and Martin Convisser of BOB will begin today to discuss the intelligence requirements

process. The Director noted the importance of ensuring that BOB officers are aware of the weight and significance of Pentagon intelligence requirements.

[REDACTED]

25X1

Duckett reported the loss of a TAGBOARD aircraft and drone over the Pacific, off the West Coast, on 30 July. The pilot survived. The other crew member did not.

[REDACTED]

25X1

Duckett reported evidence of another operational launch at Kapustin Yar recently of a [REDACTED] vehicle. The purpose of such tests is not clear.

25X1

Duckett reported on sessions with the Agency's space panel of consultants last week. Consensus was that if the Soviets are competing to land a man on the moon, they are somewhat behind the U. S.

[REDACTED]

25X1

Executive Director asked that Deputy Directors or their representatives meet with him in the near future in order to begin laying out Agency policy covering publications and public speaking by Agency employees. In this connection Executive Director noted what may be certain inconsistencies or weaknesses in the use of cover by Agency personnel. DD/P agreed [REDACTED]

The Director described his meeting on 29 July with Secretary Crockett.

The Director described briefly the meeting with the PFIAB on 29 July. Bross is preparing a Memorandum for the Record on this session. The Director noted that he, General Carroll, and Tom Hughes had agreed to work out a formula to ensure that finished intelligence reports produced by intelligence agencies clearly indicate whether or not coordination was involved, and abbreviations designating producing components are to be eliminated and spelled out.

The Director described his session with the Senate Foreign Relations Committee on 29 July.

ACTIONS:

1. The Director wants to be advised when Senator Russell is in town and available to meet. (OGC)
2. Legislative Counsel is requested to review the transcript of the 29 July meeting with the Senate Foreign Relations Committee and to confer with the Director thereafter. (OGC)
